

Allocated Named GP

From 1 April 2015 all patients should have a Named Accountable GP. We have now allocated a Named Accountable GP to all our patients and we are informing you that **your Named Accountable GP is your Registered GP**. If you wish to know your Named Accountable GP, please speak with Reception

The Named Accountable GP role is largely one of supervision. Your Named Accountable GP will take responsibility for the co-ordination of all appropriate services and ensure they are delivered, where required, to each of their patients.

We remain 'practice based' so your overall care will not be affected and you can continue to see whichever GP you prefer. If you feel you would like a different GP to be allocated to then then you this and we will do our best to accommodate you.
